

Blue Ridge SKYPORT

THE FLY-IN COMMUNITY BLUE RIDGE, GEORGIA

Blue Ridge Skyport. Unique and one-of-a-kind. A private, rustic home fly-in community that allows its homeste owners the luxury of the only landing strip in Fannin County. The runway is 3,100 feet, asphalt.

Many homesites offer panoramic mountain views...

...while others embrace the flowered, rolling pastureland that is also a Blue Ridge visual highlight.

Features include picnic areas, nature trails, creek and pond. Only 5 minutes from town.

The nature trail meanders through the property and allows residents the opportunity to become at one with the pristine beauty so apparent here in the Blue Ridge Mountains.

Site plan is an artist's conception and is subject to change.

40 homesites are available. 16 of them will accept your private hanger.
